RECEIVED  
MAR 14 2016  
Div. of Oil, Gas & Mining

Dear Mr. Gill,

On behalf of Ultradent Products, I wish to express our gratitude for having been considered for a Utah Board of Oil, Gas and Mining 2016 Earth Day Award. Ultradent's mine reclamation efforts were a responsibility we took very seriously, and we are very aware of the honor of having those efforts so recognized.

I must respectfully decline your very kind invitation to make a presentation at the March 23 hearing of the Board. I will be out of the country at that time, and it will not be possible for another company representative to participate.

Thank you again for the Board's positive review of our nomination submitted by Leslie Heppler. Ultradent Products is committed to being an honorable corporate citizen of the great State of Utah, and we support the important work you are doing.

I remain respectfully yours,

Peter Alfred  
Director of Formulation Technology  
Ultradent Products, Inc.
